GIVE BRIEF DESCRIPTION OF WHAT HAPPENED:																									
<p>On Friday, August 5, 2011, at 0305 hours, Sixth District Units responded to the 300 block of 34th Street, S.E., for the report of a shooting. Once the officers arrived on the scene, they were unable to locate a victim. Officers did observe blood smeared on the doors of building 308 34th Street, S.E. Residents in the area reported there was a subject running throughout the block yelling and screaming he had been shot. However, officers could not locate this subject. Moments later, a person suffering from apparent gunshot wounds, hereinafter Victim #1, arrived at a nearby hospital. Victim #1 was suffering from gunshot wounds to the face, left shoulder, and right hand.</p> <p>Simultaneously to the aforementioned events, officers on 34th Street continued to canvass the area surrounding the apartment buildings. Officers then discovered the decedent, later identified as Christopher Freeman, lying in the alley rear of 320 34th Street, S.E. The decedent was unconscious and unresponsive suffering from multiple gunshot wounds to the head and upper body. DC Fire & EMS personnel examined the decedent and determined there were no signs of life. The body was transported to the District of Columbia Office of the Chief Medical Examiner's Office (OCME).</p> <p>Technicians from the Metropolitan Police Department Forensic Science Mobile Crime Division processed the crime scene. Technicians recovered seven (7) expended 9mm shell casings and one (1) bullet fragment. A sawed-off shotgun was located by a K-9 dog in the bushes approximately 15 feet from the decedent. The sawed-off shotgun was empty and did not appear to have been fired. Technicians also recovered a cell phone within feet of the decedent.</p> <p>On Friday, August 5, 2011 Dr. Carolyn Revercomb of the District of Columbia Office of the Chief Medical Examiner's Office performed the autopsy on the decedent (Christopher Freeman). The autopsy revealed that the cause of death was multiple gunshot wounds to the torso and head. The manner of death Homicide.</p>

A witness, hereinafter referred to as W-1, was located and interviewed. W-1 stated IT heard two (2) to three (3) male voices in the alley. W-1 stated that the male subjects appeared to be arguing, at which time IT heard two (2) to three (3) gunshots. W-1 also stated after the shooting IT could hear a male who appeared to be in distress and asking for help.

During the course of the investigation, Victim #1 was interviewed. Victim #1 was unable to communicate orally due to ITS injuries, but was able to communicate through writing and gestures. Your affiant asked Victim #1 did IT know who shot IT and the decedent. Victim #1 moved ITS head in an up and down motion. Your affiant asked Victim #1, who shot IT? Victim #1 wrote, "Jim." Victim #1 wrote that Jim "be on Stone Ridge on the other side of Minnesota." Furthermore, Victim #1 described "Jim" as light skin, approximately 140lbs, and a dreadlock hairstyle worn in a ponytail, and approximately 27 years old. Victim #1 indicated that IT has known Jim for several years.

During the course of the investigation a witness, hereinafter referred to as W-2 advised that IT knows a subject by the name of Jim and Jim is known to frequent the 300 block of 34th St, Ely Pl. and Minnesota Ave. Southeast, Washington D.C. W-2 stated that Jim's name was James Fields. A search of the COLUMBO Criminal Intelligence System for James Fields revealed James Fields of [REDACTED] Anacostia Rd. Southeast, Washington D.C, Date of Birth 01/19/1980, B/M, 6'2, 128lbs, with a PDID # of 510617.

An identification procedure was conducted with Victim #1. Victim #1 was shown a photo array of nine subjects which included a photograph of D-1 James Fields, PDID # 510617, in position #7. Victim #1 briefly viewed the photo array and pointed to photo #7 as the individual who shot IT. Victim #1 also circled photo #7. Victim #1 was asked, did the person he identified also shoot Chris? Victim #1 wrote on a piece of paper, "YES." During the viewing of the photo array, Victim #1 became visibly upset.

In another interview, Victim #1 provided details concerning the shooting. According to Victim #1, IT, the decedent, and Jim were standing outside. Victim #1 turned ITS head away from Jim. When IT turned back, Jim's gun was in his hand and Jim shot Victim #1. Thereafter, Jim shot Chris. Victim #1 stated that at the time of the shooting, neither IT nor Chris was armed with a weapon.

According to investigation, Victim #1 had an outstanding warrant at the time of the shooting. Victim #1 did not provide his true identity to law enforcement, rather IT used an alias. Subsequently, Victim #1 acknowledged ITS true identity to law enforcement.

Based on the facts and circumstances involved in this crime, your affiant believes that probable cause exists for a District Of Columbia Superior Court Judge to issue an arrest warrant charging the defendant James Fields, Date of Birth 01/19/1980, with PDID # 510617 accordingly.
